BEHAVIOR GUIDELINES & PROCEDURE

Children participating in the program are expected to follow established rules. Positive and respectful interactions between staff and participants is our goal. Parents/guardians will be informed of any problems that may arise and are encouraged to work with the staff to help children learn to make good choice. If a problem does occur the following steps will be taken.

- Warning: Staff member will communicate to child any inappropriate behavior, why it is not appropriate and what would be considered appropriate. Staff will then clearly explain consequences if behavior continues.
- Timeout: If behavior continues, staff member will remove participant from activity and place participant in timeout (quiet time for 5-10 minutes). Participant will explain the changes that he/she will make in their behavior, if they cannot come up with change, the staff member will assist them in discovering positive behaviors. If child cannot show that positive behavior and improvement, they will be removed from the activity.
- Discipline Log: If behavior continues, parents will be notified that child will be receiving written discipline referral. Staff will discuss with parent/guardian to gain input on how to best correct behavior. Depending on severity of behavior, parents may be asked to pick up child for remainder of the day.
- Suspension Policy: If after following discipline procedure above, behavior continues, participant will be suspended for 1-3 program days depending on severity of behavior. No refunds, credits or transfers will be provided when suspension occurs.

Is there a behavior management technique that works best for your child? (Time out, Calling parent, etc.)

Is there any other information we need to be aware of to best serve your child? (Special needs, physical/learning disability etc.)

By signing below, I understand that my child will be held to these behavior and discipline standards.
